## Table Descriptions

There are three tables as described below:

1. Active Requests for Task Order Proposal (RFTOP): This table identifies all active task order proposal requests as of the date of report submission.
2. Forecast of Upcoming Activities: This table identifies near term RFTOPs and represents a mature requirement where most, if not all, acquisition strategy details have been determined.
3. Awarded Task Orders: This table identifies all actions awarded under ProTech.

The below descriptions are used in the tables provided. A list of the relevant tables using each list is located next to the descriptions.
