of the Endangered Species Act Draft Economic Analysis for the Proposed Designation of
Marine Critical Habitat for the Green Turtle, *Chelonia mydas***

Evaluate the adequacy, appropriateness, and application of data used in the Endangered Species Act Economic Report on the Proposed Designation of Marine Critical Habitat for the Green Turtle (i.e., the Economic Report).

1. Please provide comments on the methodology, assumptions, or other means of reaching conclusions within the draft Economic Analysis. If you find that justification is lacking or specific information was applied incorrectly in reaching conclusions, please specify in your comments.
2. Please consider the accuracy, quality, and thoroughness of the information considered. If any additional information exists that was not considered, please specify in your comments.
3. Are uncertainties addressed fairly and clearly, where appropriate? If not, please explain.

All information associated with the Draft Economic Report is to remain strictly confidential until it is posted to the NOAA Fisheries (NMFS) website (draft likely to be published June 2023).
