Please make the following changes:

- 1) Senator Moran event. Describe what we will do: telepresence at a high school with a deep sea ROV that Ballard's OET operates and we fund as a partner, supporting STEM Education.
- 2) add an entry about NOS's extensive preps for Dorian: OR&R, NRTs, NGS's RSD.
- 3) add an item of note about the national coverage of our all female flight crew into Dorian.
- 4) add an item of note about Dr Jacobs' press briefing on Dorian at the White House.
- 5) add an item of note that I attend the HSRP in New Orleans and met with the LA Lieutenant Governor Billy Nungesser, the CG Sector Commander CAPT Luttrell, LA Fisheries officials, and toured the Port of New Orleans.
