

NIST

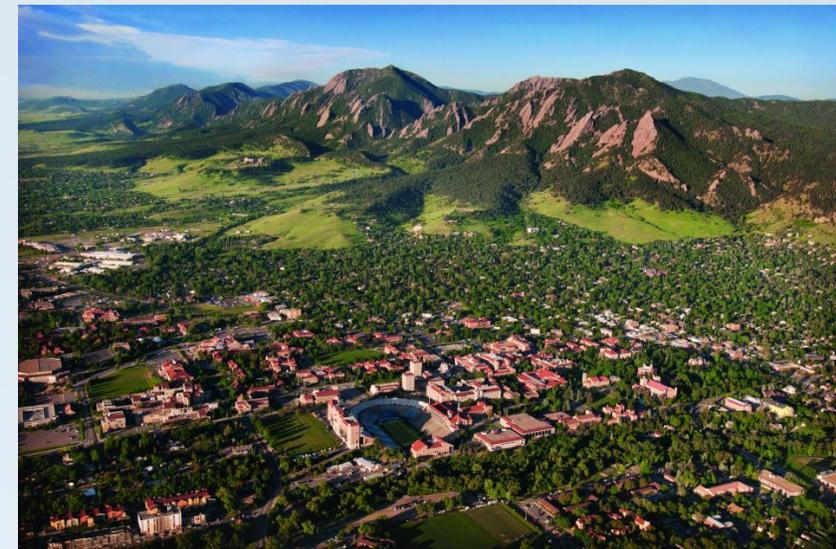

Acquisition
Management
Division

Team E
Boulder, CO

Agenda

- Acquisition Management Division (AMD), Team E: Who we are and what we do.
- NIST Boulder organizations we support.
- Business opportunities
- Contracting methods and types.

Who We Are

- **AMD (Gaithersburg, MD)**
 - **Four acquisition teams located in MD.**
 - **Team E, Boulder, CO: Supports NIST Boulder Laboratories**

What We Do

- Provide acquisition support:
 - Items
 - Services
 - Construction
 - Architect-Engineer Services

NIST Boulder Organizations We Support

- **Laboratories**
- **Office of Facilities & Property Management (OFPM)**
- **Emergency Services Division (ESD)**
- **Boulder Safety, Health & Environmental Division (BSHED)**
- **Office of Information System Management (OISM)**

NIST Boulder Organizations We Support

➤ Boulder Laboratories:

- Communications Technology Laboratory (CTL)
 - ✓ Public Safety and Communications Research Program (PSCR)
- Physical Measurement Laboratory (PML):
 - ✓ Cleanroom
- Material Measurement Laboratory (MML)

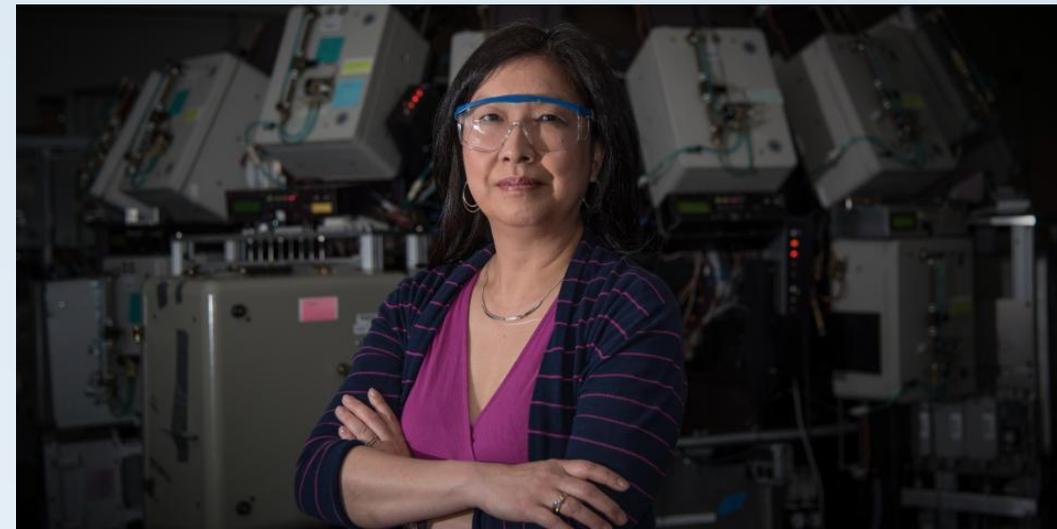

Business Opportunities - Items

- Lasers and components
- Pumps
- Various microscopes
- Chemicals & substrates
- Precious Metals
- Laboratory Safety Products
- Cleanroom Labware
- IT hardware and software
- Telecommunications equipment and software
- GPS hardware
- Radio communications equipment

Business Opportunities - Services

- Scientific technical and engineering services
- Pure and ultrapure water system maintenance
- Laboratory equipment maintenance & repair
- Software maintenance
- Cleanroom maintenance

Business Opportunities - OFPM

➤ Construction

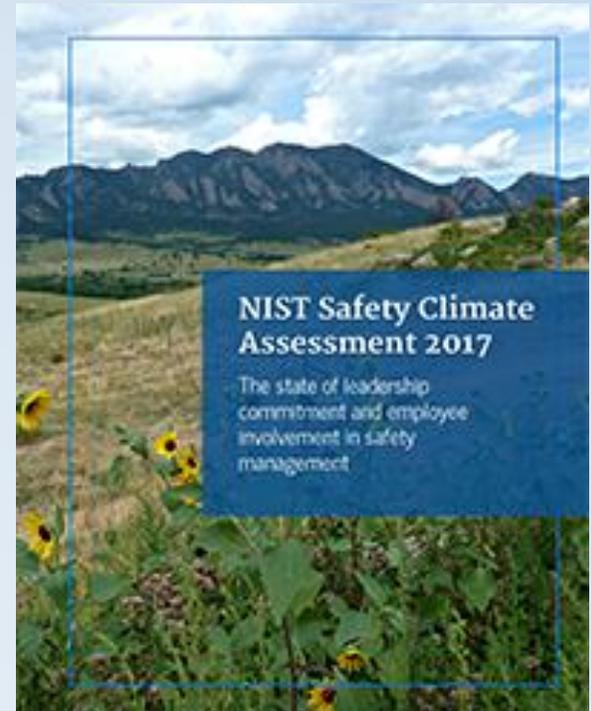

➤ Services:

- Utilities operations and maintenance
- Facility maintenance and repair
- Heavy equipment maintenance & repair
- Grounds maintenance
- Landscaping and irrigation services
- Refuse and recycling services
- Custodial services
- Facility assessments
- Life safety services and fire protection system testing & maintenance
- Pest control
- Construction management services
- Architect-Engineer services

Business Opportunities - ESD & BSHED

- Security equipment and installation
- Water sampling and testing
- Hazardous waste disposal
- Asbestos and lead based paint sampling, testing and abatement

Primary Contracting Methods

- **Simplified Acquisition Procedures – FAR Part 13.**
- **Contract by Negotiation – FAR Part 15.**
- **Federal Supply Schedules – FAR Part 8.**
- **Acquisition of Commercial Items – FAR Part 12.**
- **Construction and A-E Contracts – FAR Part 36.**

Primary Contracting Types

- Firm fixed price contracts.
- Indefinite Delivery – Indefinite Quantity.
 - Single award and multiple award contracts.
- Multiple year contracts – option periods.
- Other Agency Contracts:
 - Department of Commerce strategic sourcing contracts.
 - GSA
 - NASA Solutions for Enterprise-Wide Procurement (SEWP)
 - National Institutes of Health Information Technology Acquisition Assessment Center (NITAAC) Contracts

Questions
