The WH and President's personal accounts have been sharing our social media the last few days. They are sharing pretty much everything we are pushing out. The President was very interested in Ken's report today. And, by the way I had no idea they were going to keep the media in the room during the briefing and questions for Ken. Seven minutes of national coverage of Ken's briefing couldn't have gone better.

Kindest regards,  
Julie Kay Roberts, CEM  
Deputy Chief of Staff  
National Oceanic and Atmospheric Administration
