AWARD

1. A Federal mandate specifies that effective November 12, 2020 the closeout period will be extended to 120 days. The current closeout period is 90 days. [JIRA: GOL-1056]

2. The underlying logic associated with the comma separator “,” in the non-Federal share data element has been modified so a non-funded amendment does not trigger an error message. [JIRA: GOL-1069]
