Subject: CCVO SWFSC Science Support Needs for Reinitiation of Consultation - Invitation to edit

cathy.marcinkevage@noaa.gov has invited you to **edit** the following document:

CCVO SWFSC Science Support Needs for Reinitiation of Consultation

As a follow-up to our 11/29 meeting with Steve, Rachel, Charlotte, and Maria, see the attached revised listing of CCVO Science Center support items. Please review within the next few days and provide any comments or revisions (in track changes). I will be following up with next steps as identified in the document.

I plan to keep this as a living document that tracks update to the tasks. If you would like me to expand the sharing (for instance to Nate, Miles, or Andrew), please let me know.

Thanks -
Cathy
