Hi Eric,

I forgot to ask about travel, so I have assumed that there would not be any. Let me know if this an appropriate assumption, or if a trip down to Santa Cruz or Sacramento should be included as part of the BO preparation. I can add it pretty easily. I've attached an estimate for 2 weeks of Doug's time, 3 weeks of my time, and 5 to 6 ePTM runs using AWS. Let me know if you have any questions or need any additional info.

Thanks!  
Noble

Hi Noble,

I will probably need it flexed out.

Thanks, Eric

Hi Eric,

Would you like the cost estimate fleshed out in an XL file or would a total number suffice?

Thanks and hope you had a good weekend,

Noble
