Subject: RE: Pitching Dr. Jacobs...

Thank you. The earliest he would be doing anything would be Sunday. The storm is now slowing down and looks like Tuesday 2pm landfall, subject to shift further out.

Kindest regards,
Julie Kay Roberts, CEM
Deputy Chief of Staff
National Oceanic and Atmospheric Administration

Can you provide me her email? I have it somewhere but can’t put my hands on it right now. I’ll make certain I let her know what is going on.

Sounds good. we will coordinate through the NRCC media operations (b)(5) If okay we will pitch for interview from NRCC.

Kindest regards,

Julie Kay Roberts

Deputy Chief of Staff

National Oceanic and Atmospheric Administration

> Is there sensitivity on storm that we are not aware of? Neil's briefing to president yesterday was spot on and getting a lot of coverage. We have never really asked the WH to put Neil out there on a storm but could be good opportunity. I'm at FEMA and could ask Jessi if there is an issue with pitching.

>

> We have received media requests for Fox but punted to NHC because Neil's voice isn't great today. He has done Fox and CNN last year from the hurricane hunter.
